Summer Reading and Writing Homework

For summer homework this year, students will have a reading and writing component to complete and turn in to their new teacher at the start of the school year.

The reading component will be a Bingo Card with many different reading activities. Students will need to pick 10 squares to complete over the 2 week span listed on the top of the bingo card. Once a square is finished, they must color it in to show it is completed. The goal is to have fun while reading more throughout the summer.

After completing the reading component, students will then pick 2 writing prompts provided to write about their reading. Students should be completing 2 writing prompts over the 2 week span listed at the top of the writing paper.

ACS will have Summer Reading check ins four times throughout the summer. Bring both your completed bingo card and writing prompts in order to check your progress. At each check in, there will also be fun activities, prizes, and snacks for families. To make it convenient for all families, ACS will have both morning and night check in times. Please see the dates and times below!
